2026

Date : 31st October 2026 

Theme: The Ship of Theseus 

Venue : PVGCOETM Auditorium 

What is TED?

TED is a global platform dedicated to ideas worth spreading, bringing together thinkers, innovators, creators and changemakers to share perspectives that can inspire meaningful conversations and shape the future.

What is TEDx?

TEDx events are independently organized events that bring the spirit of TED to local communities, creating spaces where ideas can be shared, perspectives can be explored and meaningful connections can be made.

What is TEDxPVGCOETM?

TEDxPVGCOETM brings the TED experience to Pune through a curated, day-long event featuring inspiring speakers, engaging experiences and an audience united by curiosity and the desire to explore ideas that matter. Organized independently under the TEDx program, TEDxPVGCOETM creates a platform for diverse perspectives across technology, business, science, creativity, culture and beyond.

Beyond the talks:

Our workshops and experiences

Beyond the talks, the experience came alive through creativity, connection, and shared moments. From brewing kombucha and crafting handmade soaps to painting personalised tote bags, dancing to the rhythm, and diving into interactive games, each activity brought its own spark to the day. These experiences gave participants a chance to step away from the ordinary, try something new, express themselves, and connect with one another—turning the event into an experience that went far beyond the stage.
